

5^{open}.70

\$26,995

USA 279 was built in August 2009. The boat is super fun to sail, in great shape, and is ready to race! It has a unique green/orange custom full wrap and consistently places well at regattas including an overall 1st place in 2012 (3rd in 2011) Open 5.70 SoCal High Point Series. The boat has been professionally maintained by Open Sailing from Summer 2009 to January 2012 and then by me till present. The boat is fully equipped and has been dry sailed since summer 2010. The original owner put bottom paint providing the option of leaving the boat in the water. The boat has minor wear from normal use. The boat is located in Point Richmond, CA.
